

## Home Learning

Home learning supports and consolidates teaching and learning. It provides a positive link between home and school.

Teachers:

- provide expectations, and suggested time requirements for home learning to students and parents at the start of the year
- set home learning that reflects students' ages and stages, and supports teaching and learning
- ensure students understand their home learning tasks and can work independently, where possible
- communicate concerns to parents in regards to Home Learning

Students:

- understand their home learning tasks and work independently if appropriate to their age and stage of learning

Parents:

- encourage and support their children
